LAND ACKNOWLEDGMENT

Vermont Green FC acknowledges we are playing home games on land that is part of the legacies and trauma of indigenous dispossession. We are guests on this land, which has served as a site of meeting and exchange among indigenous peoples for thousands of years and is home to the Western Abenaki People.

HONORING AFRICAN AMERICAN HISTORY

Vermont Green FC is playing *Lift Every Voice and Sing*, often referred to as “The Black National Anthem,” today to celebrate African American freedom and achievement and respect for all cultures. The Club started this tradition to honor Juneteenth - the effective end of slavery in the United States - and will continue honoring our shared history for the rest of the season. The hymn was written as a poem by NAACP leader James Weldon Johnson in 1900. His brother, John Rosamond Johnson (1873-1954), composed the music for the lyrics. At the turn of the 20th century, Johnson’s lyrics eloquently captured the solemn yet hopeful appeal for the liberty of Black Americans and was later adopted by NAACP and prominently used as a rallying cry during the Civil Rights Movement of the 1950s and 1960s. To learn more about the history of *Lift Every Voice and Sing*, visit [NAACP’s](#) website.

ENVIRONMENTAL JUSTICE MISSION

The Club is prioritizing five goals in pursuit of our environmental justice mission in the first season and beyond.

More details on these goals can be found on our website, www.vermontgreenfc.com/mission.

Net Zero

We will become a net zero club following Science Based Targets (SBTi) initiative standard. Net zero targets will follow climate science-based requirements and environmental justice principles.

Fight Systemic Racism

We will stand up to systemic racism in soccer and beyond. We are working with the Anti Racist Soccer Club on a 10 point plan to advance anti-racist actions and behaviors at the club and in the community.

1% for the Planet

We have committed to donating 1% of our annual net sales to non-profits working on behalf of the environment.

Purpose-driven Merchandise

We source merchandise that satisfies the highest standards of environmental stewardship and social responsibility. We are also building a program that will allow our supporters to participate in the circular economy.

Educate and Advocate

It all starts here. We are using our platform to raise awareness of and advocate for ways we can collectively transform our society through the lens of environmental justice.

FUNDRAISER TO EXPAND ACCESS TO SOCCER AND EQUITABLE PLAY IN VERMONT

Juba Star Football Club, an affiliate of the non-profit Somali Bantu Community Association of Vermont, works to expand access to soccer and equitable play in the state. They've built a remarkable community asset through the beautiful game and are seeking help to finance their operations this season. We are partnering with them to raise money to fund their participation in the Louisville International Outdoor Cup, a Somali-led tournament hosting top talent from around the country.

Please join us in supporting this fantastic organization that continues to make our communities more inclusive, safe, and comfortable for historically underrepresented Vermonters. Soccer is a powerful platform to advance their mission, as it provides a space where anyone can thrive, no matter their socioeconomic status, ethnicity, or nationality. Help us thrive together! **Click the GoFundMe link below and donate whatever you can!** We appreciate you 

In addition to the online fundraiser, Vermont Green FC is hosting an **exhibition match against Juba Star FC on June 12 at 7pm at UVM's Virtue Field**. Tickets will be available for purchase and part of the proceeds will go to the Juba Stars organization.

COMMUNITY PARTNERS

**ANTI RACIST
SOCCER CLUB**

King Street Center

Vermont Green Football Club is partnering with King Street Center to make matches more accessible and inviting to historically marginalized communities. The program is focused on building community ties between Vermont Green Football Club players and King Street Center youth and families. Players will join King Street Center youth each week to engage in soccer activities and discuss their path toward playing soccer at the highest levels. Vermont Green will host King Street Center youth at weekly practices and donate free tickets through its “Spread the Love” initiative so they can attend home games throughout the season. Players, staff, and youth will also spend time focusing on how soccer can be a powerful catalyst for a more environmentally sustainable and socially just world.

Juba Star FC

We are partnering with Juba Star Football Club to expand access to soccer and work towards equitable play in the state. Juba Star FC is a Somali Bantu-led organization that has operated in the state since 2006. The organization was established to provide a safe space for the growth and development of former refugee and immigrant youth in Vermont. The organization runs free soccer clubs for youth and adults, ages 14 and older, and provides assistance with transportation to games and practices, and mentorship for youth.

Anti Racist Soccer Club

Anti-Racist Soccer Club is a coalition of players, clubs, and experts fighting racism in American soccer. The ARSC membership is open to teams and leagues at the professional and youth levels, supporter groups, and any other soccer-affiliated organization. ARSC works with interested parties to develop a ten-point plan anti-racism framework that is unique to that community. ARSC monitors and evaluates member plans to ensure accountability.

COMMUNITY SPOTLIGHT

Vermont Youth Lobby

Advancing Intergenerational Climate Justice Leadership

Vermont Green FC is partnering with the [Vermont Youth Lobby](#) at the Club's June 28th home game to help grow awareness of and participation in the statewide coalition of young people and adult allies working to empower young people to lead the environmental and social justice movements younger generations are demanding. [Read more on the partnership here.](#)

Youth Lobby's mission is to help Vermont youth more effectively use the power they have as democratic citizens to affect significant change through responsible, informed, collective action and civil discourse. They strive to be polite, respectful, and fierce.

Youth Lobby has recently launched a Youth Climate Justice initiative that matches young people with the resources and connections they need to make a difference in the state and the world. The initiative focuses on the actions that young people can take right now to make a difference, including teaching advocacy skills, facilitating connections, and building the support network necessary for enacting change.

Youth Lobby representatives will speak about their climate justice initiative at halftime and will be tabling at the game to talk with supporters about how they can get involved. For more information, visit www.youthlobby.org, email youthlobbyvt@gmail.com, or call (802) 324-4521.
