VERMONT

GREEN FOOTBALL CLUB

VS. BOSTON BOLTS - JUNE 21 - 7:00PM - VIRTUE FIELD

LAND ACKNOWLEDGEMENT

Vermont Green FC acknowledges that our playing ground sits on land that is a site of meeting and exchange for Indigenous peoples since time immemorial.

Ongoing generations of Indigenous peoples, namely the Western Abenaki [A-ben-A-kee], have stewarded this land. The Western Abenaki are the caretakers of this land which they call Ndakinna [in-DAH-kee-NAH], or “homeland.” We recognize the trauma that violence and forced displacement by the hands of colonizing peoples has caused these communities. We are guests on this land and will respect and uplift Indigenous histories, cultures and peoples. We give thanks for the opportunity to share the joys of this beautiful land and in turn are committed to protecting it.

COMMUNITY SPOTLIGHT

In recognition of VGFC's mission, the Vermont State Labor Council, AFL-CIO is partnering with the Club to support each other's work in the community. This partnership affirms the relationship between athletes and owners as one in the same with the worker and bosses.

Tonight we are celebrating a first-of-its-kind sports partnership. Vermont Green FC's Labor Night is a demonstration of solidarity between athletes and workers, as well as solidarity with all living beings on our shared planet.

Social and economic justice are integral to environmental justice, and the labor movement has a long history of leadership on both fronts. Former VGFC General Manager Connor Tobin was on the Organizing and Bargaining Committees for the formation of the United Soccer League Player Association (USLPA). The USLPA is the collective bargaining representative for all USL Championship and USL League One professional players who are signed to a standard USL agreement. The USLPA does not represent amateur players signed to an amateur playing agreement or loaned players.

The benefits of being a union member extend beyond the workplace. We are proud to announce our partnership by also offering a 10% discount on tickets for all VT AFL-CIO affiliated union members.

HONORING AFRICAN AMERICAN HISTORY

Vermont Green FC is playing *Lift Every Voice and Sing*, often referred to as “The Black National Anthem,” at every home match to celebrate African American freedom and achievement and respect for all cultures. The Club started this tradition to honor Juneteenth – the effective end of slavery in the United States – and will continue honoring our shared history each time we take the pitch. The hymn was written as a poem by NAACP leader James Weldon Johnson in 1900. His brother, John Rosamond Johnson (1873–1954), composed the music for the lyrics.

At the turn of the 20th century, Johnson’s lyrics eloquently captured the solemn yet hopeful appeal for the liberty of Black Americans and was later adopted by NAACP and prominently used as a rallying cry during the Civil Rights Movement of the 1950s and 1960s. To learn more about the history of *Lift Every Voice and Sing*, visit [NAACP’s](#) website.

ENVIRONMENTAL JUSTICE MISSION

The Club is prioritizing five goals in pursuit of our environmental justice mission. More details on these goals can be found on our website, www.vermontgreenfc.com/mission.

Net Zero

We will become a net zero club following Science Based Targets (SBTi) initiative standard. Net zero targets will follow climate science-based requirements and environmental justice principles.

Fight Systemic Racism

We will stand up to systemic racism in soccer and beyond. We are working with the Anti Racist Soccer Club on a 10 point plan to advance anti-racist actions and behaviors at the club and in the community.

Giving

As 1% for the Planet members, we have committed to donating 1% of our annual net sales to non-profits working on behalf of the environment.

Purpose-driven Merchandise

We source merchandise that satisfies the highest standards of environmental stewardship and social responsibility. We are also building a program that will allow our supporters to participate in the circular economy.

Educate and Advocate

It all starts here. We are using our platform to raise awareness of and advocate for ways we can collectively transform our society through the lens of environmental justice.

COMMUNITY PARTNERS

King Street Center

Vermont Green FC is partnering with King Street Center to make matches more accessible and inviting to historically marginalized communities. The program is focused on building community ties between VGFC players and King Street Center youth and families. Players will join King Street Center youth each week to engage in soccer activities and discuss their path toward playing soccer at the highest levels. Vermont Green will host King Street Center youth at weekly practices and donate free tickets through its “Spread the Love” initiative so they can attend home games throughout the season.

Juba Star FC

We are partnering with Juba Star Football Club to expand access to soccer and work towards equitable play in the state. Juba Star FC is a Somali Bantu-led organization that has operated in the state since 2006. The organization was established to provide a safe space for the growth and development of former refugee and immigrant youth in Vermont. The organization runs free soccer clubs for youth and adults, ages 14 and older, and provides assistance with transportation to games and practices, and mentorship for youth.

Anti Racist Soccer Club

Anti-Racist Soccer Club is a coalition of players, clubs, and experts fighting racism in American soccer. The ARSC membership is open to teams and leagues at the professional and youth levels, supporter groups, and any other soccer-affiliated organization. ARSC works with interested parties to develop a ten-point plan anti-racism framework that is unique to that community. ARSC monitors and evaluates member plans to ensure accountability.
